

International Conference on Science, Technology, Engineering, and Mathematics for Sustainable Development (ICSTEMSD) 2026

Call For Papers

24 March, 2026

About The Conference

International Conference on Science, Technology, Engineering, and Mathematics for Sustainable Development (ICSTEMSD) 2026 with the theme "Smart Mobility, Technology, and Sustainability" aims to bring together experts, researchers, academicians, innovators, industry experts and policy makers from diverse fields to discuss the recent breakthroughs and leading-edge advancements for addressing global challenges. The conference will focus on the integration of smart mobility solutions and sustainable practices covering topics like: Smart Mobility which includes Autonomous vehicles, electric transportation, intelligent transportation systems (ITS), and mobility-as-a-service (MaaS), Technology and Innovation which includes Emerging technologies that support smart cities, IoT, big data, and AI applications for urban mobility and sustainable development and Sustainability which includes Green energy solutions, sustainable infrastructure, and eco-friendly practices in transportation and technology sectors. This conference encourages alliance across disciplines, tackles challenges in mobility and promotes sustainable practices through Next-gen technology and adaptive systems in transportation and urban sustainability.

Tracks

- Sciences, Technology and Society
- Advances in Power and Energy Systems
- Innovations in Communication and Signal Processing
- Trends in Computing and Artificial Intelligence
- Data and Digital Transformation
- Embedded Electronics and Computing Systems

Important Dates

- Paper Submission Deadline
January 30, 2026
- Notification of Acceptance
February 15, 2026

SUBMISSION GUIDELINE

- Submit papers via the Submission link: Paper Submission Form
- Papers should be original, unpublished, and adhere to conference formatting guidelines.
- Authors are informed to bring filled registration form, copyright form and payment receipt on the day of conference.
- Fill the online form for registration available on conference website.
- Virtual presentation Author can present paper virtually if unable to present in conference due to schedule conflict or teaching/research assignment.
- Virtual presentation permits authors to submit full length papers for referring and publication in the conference, like a regular paper.
- Virtual authors whose paper got accepted (also paid registration fees), need to present their paper through Google meet. The duration of paper presentation will be 8- 10 minutes
